

Attention members of the Class of 2014!

The ASL Student Access System (ASLSAS) enables students to access a wealth of information such as your individual course schedules, exam ID's, final grades, text book information, financial information, and personal contact information in a password protected environment.

To access the ASLSAS please follow these steps:

1. Visit the following URL: <https://sas.asl.edu/sonisweb200/studsect.cfm>.
2. The first time you login to the system you must click on the link located under the login button: "If you have forgotten your PIN and/or ID, please click [here](#)."
3. Type your ASL email address in the box and click "SUBMIT."
4. The system will send you a temporary PIN.
5. Jot down the PIN number and revisit the site above (you may also find this link from the ASL web site under "Current Students.")
6. Login to your account with your ASL email account and temporary PIN.
7. Click on the "Bio" link.
8. Click on "Update Bio."
9. Change your PIN to something you can easily remember and click submit.
10. On this screen you should designate your search display preferences by checking the appropriate boxes. These preferences will determine what information other authorized users may view from the system; after making your choices, click submit.
11. A copy of your schedule can be found under "Schedule."
12. End of semester grades are posted under "Bio."
13. Your 2011 Fall Semester registration has been partially pre-loaded. Final section assignments for Legal Process and Contracts I will be distributed during registration. Sections are assigned randomly so special requests are not accepted.
14. The "Degree Audit" feature will be activated later in the fall semester.
15. You may post reminders or search for other authorized users by clicking the links in the upper-right hand corner of the screen.
16. Remember to logout when you leave the site.

This site will be increasingly valuable to you throughout your legal education. If you have any questions about the Student Access System, please contact the Registrar at studentservices@asl.edu.
