ASL CELEBRATES NATIONAL LIBRARY WEEK 2003 DAY 3: EXECUTIVE BRANCH

Information Scavenger Hunt.

Donald Rumsfeld has been named Secretary of Defense for two non-consecutive presidents (Gerald Ford and George W. Bush). Interestingly, he is not the first to accomplish this feat. There are at least five other men who have (a) been named to a Cabinet-level position and (b) served in this position for two non-consecutive presidents.

Can you identify them?

(1) _____

(2) _____

[*Bonus*: One man was asked by non-consecutive presidents to serve in what was then a Cabinet-level position, but that position no longer exists. Who was this man?]

Hint: There's a bunch of great presidential resources in our Reference section, including The Complete Book of US Presidents, CQ's Guide to the Presidency (2d ed), and CQ's The Presidency A to Z (2d ed). For simple facts and figures, it's hard to beat The World Almanac (our most current is 2000).
