

ASL CELEBRATES NATIONAL LIBRARY WEEK 2008 DAY 2: BAR EXAM TIDBITS – FACT OR FICTION?

Determine whether the following statements are fact (true) or fiction (made-up). Sadly, none of *these* questions will be on the bar exam!

- To keep the bar examination a difficult exam, the bar examiners do not release prior questions or answers.
- Some states allow you to take the bar examination before graduation.
- Some states do not require you to attend law school before taking the bar exam.
- Most states have a limit as to how many times you can take the bar examination.
- All states require some form of continuing legal education classes after passing the bar exam.
- All states have their July exam on the last Tuesday/Wednesday or Wednesday/Thursday of the month, due to the Multistate Bar Examination (MBE).
- The Multistate Professional Responsibility Exam (MPRE) tests not only on attorney professionalism, but on judicial ethics as well.
- Rescuing a fellow student who is having a heart attack during the bar examination will not grant you extra time to finish your questions.
- The bar exam is so named because after passing, all the examinees used to go to the nearest pub or bar.
